Grey's Anatomy meets the Friends Experience

Dr. Foley and Dr. Ornelas decided to surprise the staff and take them to the Friends Experience at Lakewood Mall. It was fun to get out of the office and see all of the sets and props. The bright colors, clothes and hair styles brought back so many memories of the show and the 90's. We titled our photo montage when Grey's Anatomy meets the Friends Experience.

We have been very busy in the office this summer and have seen many patients that have not been in for years. Please call us if you need an appointment. Enjoy the rest of the summer and remember to put sunscreen on the tops of your feet!

Best,
Dr. Foley and Dr. Ornelas

It's Time to Show Your Feet Some Lovin'

August 17th is National "I Love My Feet Day!" Your humble feet are pretty amazing structures. They contain nearly a quarter of all the bones in your body as well as 66 joints, 214 ligaments, and almost 40 muscles and tendons. In addition, your feet carry the weight of your entire body and accommodate several tons of force in just one average day of walking. Most importantly, they take you where you want to go.
