### Welcome To Our February Newsletter!

February is off to a great start, and we're excited to share what's new in the office as we head into the heart of the year. With cooler mornings, busy schedules, and lots of time on our feet, this month is a perfect time to focus on foot health, pain relief, and preventative care.

We're also thrilled to offer some **special February promotions** designed to help you feel your best. Our **ExtremeRx CBD Muscle Rub** is a patient favorite for muscle aches, neuropathy discomfort, and arthritis-type pain. For a limited time, enjoy **2 ExtremeRx CBD Muscle Rubs for \$100 (regularly \$65 each)**. In addition, we're offering a **wart treatment package** that includes **one SWIFT treatment plus the NO Wonder foot soak for \$325, a \$50 savings**, making it easier than ever to tackle stubborn warts effectively.

You may notice a few changes around the office as well. We wish **Michelle** all the best as she returns to school to pursue her nursing degree—an exciting new chapter for her! At the same time, we're happy to welcome **Karla**, who has joined our team as a receptionist and looks forward to assisting you during your visits.

Outside the office, our doctors have been enjoying some well-deserved family time. **Dr. Foley and Tom** took advantage of a beautiful Laguna Beach staycation, soaking in the sunshine, beach walks, and stunning sunsets.

**Dr. Ornelas and her family** enjoyed a fun-filled weekend in Las Vegas, where they went ziplining over the Las Vegas Strip and experienced *The Wizard of Oz* at the incredible Las Vegas Sphere.

As we move through February, we're also looking forward to celebrating the **Lunar New Year** and welcoming the **Year of the Horse**, a symbol of energy, strength, and forward momentum—values we strive to bring into our practice every day.

Thank you for being part of our podiatry family. We look forward to seeing you soon and helping keep you healthy, active, and pain-free!

Sincerely,  
Dr. Ornelas & Dr. Foley

#### What February's Heart Month Means for Foot Care

February is American Heart Month, a reminder that heart health affects far more than just your cardiovascular system or blood pressure readings. In fact, some of the earliest warning signs of cardiovascular disease can appear in an unexpected place: your feet.

#### 5 Foot Symptoms You Should Never Ignore

Your feet are with you every step of the way, yet they're often the most overlooked part of your body. While a little soreness after a long day may seem normal, certain foot symptoms shouldn't be brushed aside. In some cases, what's happening in your feet can reveal early warning signs of broader health issues that affect your mobility and overall well-being.

#### Treatment Spotlight: No Wonder Wart Therapy

Our office now offers **No Wonder**, a highly effective solution for clearing stubborn warts. This therapy stands out through its patented delivery of **nitric oxide**, a naturally occurring molecule proven to safely eliminate common viruses while supporting your body's natural healing process.

By providing deeper, targeted action, **No Wonder** breaks down persistent plantar warts more efficiently. It serves as a powerful at-home option to accelerate your progress between office visits.

**Ready for relief?** If you or a loved one are dealing with persistent warts, ask our team if No Wonder is the right fit for your treatment plan!
